Subject: Phinney Flats #3020114 Petitions

Yesterday a neighbor and I sent you 9 pages of petitions requesting a public meeting for Project #3020114, Phinney Flats, 6726 Greenwood ave North.

I am checking to confirm that you received this email and asking if you also require or suggest receiving the hard copies of these petitions signed by neighbors.

Pleas let me know as soon as possible if I should mail you the hard copies.

And also confirm that you have received the petitions which were sent yesterday, 3-7-16 in an attachment from Andra Bell. The project # and name of the project were in the subject line.

This email was also sent to Michael Dorcy and Nathan Torgelson.

Thanks

Jan Weldin
