Re: Project 3020114 6726 Greenwood Avenue

The undersigned members of the Phinney Ridge community have been tasked by the Phinney Ridge Community Council to review the Gibson Traffic Consultants traffic and parking evaluation prepared for the Phinney Flats development at 6726 Greenwood Avenue.

Review of this study is necessary for preparing comments on the overall proposal and its environmental impacts.

Since this traffic and parking study was not made available to the public until March 22nd and the comment period ends March 30th, we are requesting an extension of two weeks until April 13th to complete our review.

Thank you.

Sincerely

Pat Carroll
