Subject: 6726 Greenwood Ave. N. Seattle

To Whom It Does Concern,

The project at this location, 6726 Greenwood Ave. N., Seattle (98103?or 98117, I am not sure) WILL impact my daily life. I live two blocks west, on 1st Ave.NW.

Allowing a huge building WITHOUT parking is *bad* for our neighborhood. We have to *fight* for parking as it is right now. The clients who go to businesses on Greenwood Ave N., and Phinney Ave. N. *SPILL* into our residential parking now.

This is of huge importance to us. We can not continue to live in a healthy way if there is no parking in our neighborhood.

The developers of this project must be made to put in parking, for the hundred (at minimum) cars that will accompany the new residents of this building.

THIS is dire. The developers don't live in our neighborhood, we do. We want to keep our neighborhood livable.

I will be at the meeting on Oct. 19th, 2015, in Ballard.

Sincerely,

Jenny Armstrong
