Subject: Feedback on Project 3020338
Date: Monday, July 11, 2016 4:47:02 PM

Hello!

I wanted to let you know that we've been collecting letters electronically from our community members on our website to gather feedback on project 3020338 the last few days.

We're going to forward them to you now. We'll put the person's name in the top line of the email so you can tell who the feedback is from.

A few people chose to use one of our example letters without modification. So you will see a few duplicates.

Please let me know if you have any questions about this. Thank you!
