**DESIGN REVIEW COMMITTEE**

**RE: PERMIT # 3020338  
2925 EAST MADISON ST.  
SEATTLE, WA 98112**

**Design Review Committee,**

**I would like to object to the proposed development as stated in proposal (permit #3020338)**

**Located at 2925 E. Madison St.  
Seattle, WA. 98112 , Madison Valley**

**A building this large shouldn't be allowed at this location.  
The density of the proposed housing/lodging for this development is far too large.**

**The proposed plan as shown would generate much more traffic in the area. There's already far too much traffic that's causing congestion.  
I know you can't eliminate traffic congestion but you can help curb it by not approving this proposal as presented.**

**Thanks,  
Laura Pharr**
