Date: Tuesday, July 12, 2016 11:20:11 PM

I realize this is coming in a bit late, but I want to submit to public record notes and feedback gathered at the presentation by the project's architect, Charles Strazzara, at the Madison Valley Community Council meeting held on May 17 at the Bush School. The meeting was facilitated by Jeffrey Floor, co-chair of Central Area Land Review Committee. Notes were taken by Frank Nam, Seattle Department of Neighborhoods.

Project #3020338
2925 E Madison St.

Here is the link to the meeting notes: <http://madisonvalley.org/news/notes-and-public-comments-from-the-architects-presentation.html>

And link to photographs of all of the comment boards:
