Subject: Project Number 3020338

Seattle Department of Construction and Inspections

Gentlemen,

I am writing to ask a question about Project Number: 3020338, Address 2925 E Madison St, Seattle WA 98112.

My location is across the street at 2910 E Madison St, Seattle, WA 98112.

I am a psychiatrist and have had my practice at 2910 E Madison St for the last 15 years. In order to see patients, I need to have a quiet environment. Can you tell me what noise level I can expect from the planned construction? What level the city finds acceptable? My lease is up for renewal. I am concerned that if this project goes through, I will not be able to continue working in my current office.

Thank you,

Nina L Schorr MD
