Hi Magda,

Thank you for the updates on the proposed development located on 2925 E Madison Street. I got this message because I have been listed as a Party of Record for this project.

I have a question and I have a concern. They mentioned that they would like to see a low income housing here in the neighborhood. I am a homeowner here. I am concerned about it and I would like to voice against the project to build the housing here in the area.

Thank you so much for your kind consideration and time.

Andrea
