Subject: Feedback on Project 3020338

The plan to put in a large structure which is proposed is totally out of character for this neighborhood. There are only two lanes on Madison Street. How it possibly can manage the increase in traffic is not a reality.

I have lived in this neighborhood for forty years. Watching the trucks, construction and increased traffic clog the Arboretum and outlying streets has been quite annoying, not to mention loud and polluting.

Now you want to ruin the beautiful greenbelt which helps with noise and pollution and ruin the pleasant neighborhood on Dewey.

I say stop everything already. No one wants this project except the owners and the people who will come from out of the neighborhood to shop.

Save Madison Valley.
