Subject: Feedback on Project 3020338
Date: Tuesday, October 25, 2016 11:06:59 AM

Please see comments below from Penny Bolton (Ppbolton@gmail.com)

Please note that if this project fails because of opposition from neighbors, the property will still be sold and it might not be to another cooperative developer who would agree to lease to PCC. Changes are coming-the zoning could wind up allowing a bigger building under the proposed zoning from HALA. I really think this developer is the one we want to work with. I like the new plans and am thrilled to have PCC come to our neighborhood.
