I live about four blocks from this proposed mixed-use development and I, as well as many of my neighbors, are very excited for the opportunity to have a PCC grocery store in our neighborhood. The overall design of the building is beautiful and blends in well with our neighborhood. As a resident of Madison Valley for 18 years, this would be a welcome addition to our community. We all hope the Project is timely approved.

Please feel free to contact me at any time if you would like to further discuss this Project with a longtime local resident.

Best regards, Bob
