Hi - I would like to voice my support for this project. The developer has done an honorable job listening to the community and making some adjustments to the plans. As a resident of the affected neighborhood, I'm looking forward to having PCC so close to home. I do worry about the increase in traffic, as the current commute-time backups on Madison are already pretty bad; but, hopefully, it will not get as bad as I fear.

Thank you.

Sincerely,
Drew Markham
