To Whom It May Concern:

I've lived near the arboretum for 11 years, garden in the City p-patch behind City Peoples and work in the nearby MLK Fame Community Center. I am very much in favor of this project and appreciate all the work that's been done to listen to the community in the planning process. The new designs look terrific and I'd love to see this project move forward as soon as possible. Bring on the PCC!

Thank you,  
Margot
