Subject: Project 3020338 PCC

Hello,

We live in Denny Blaine and look forward to being able to walk to PCC on Madison Ave. We usually drive to Greenlake to shop at PCC and feel fortunate it will be in walking distance. It will provide some needed jobs in the area. PCC will also provide some competition for local markets to be price competitive, stock healthy food options and have friendlier customer service. We have some food allergies which are best accommodated with items at PCC especially their deli.

Karen
