RE: Applicant Services Correction Notice #1  
Project #3020338

Please find below our responses to your Applicant Services Correction Notice #1 email dated April 27, 2017. The original text of each item has been included verbatim with any omissions clearly noted. Our responses are included in ***blue italics***.

Comments:

1. The Survey (Sheet 4 of the plan set) calls out the correct legal description. However, sheet 1 only lists a partial legal description. Please revise the legal description on sheet 1 to read:

LTS 1-5 & 19-24, BK 7, MADISON STR ADD

*The Legal Description has been updated. Please see G001.*

Please feel free to give me a call if you have any questions or need more information to complete your review.
