Good Afternoon:

Is this what you really want for Greenwood/Phinney Ridge? The proposed high-density living without parking is a horrid beginning to a future slum!

A News Alert from The Seattle Times [View in your browser.](#)

News Alert

In the U District, you can rent a room the size of a parking space.

[The landlord for a micro-unit building opening on Seventh Avenue Northeast recently posted an ad searching for tenants, and it was circulated this week in a post that referred to the room as a "prison cell."](#)
