

Re-Notice of Decision

The Director of the Seattle Department of Construction and Inspections has reviewed the Master Use Permit application(s) below and issued the following decisions. Interested parties may appeal these decisions.

Hearing Examiner Appeals

To appeal to the City's Hearing Examiner, the appeal MUST be in writing. Appeals may be filed online at www.seattle.gov/examiner/efile.htm, delivered in person to the Hearing Examiner's office on the 40th floor of Seattle Municipal Tower at 700 Fifth Ave. or mailed to the City of Seattle Hearing Examiner, P.O. Box 94729, Seattle, WA 98124-4729. (Delivery of appeals filed by any form of USPS mail service may be delayed by several days. Allow extra time if mailing an appeal.) An appeal form is available at www.seattle.gov/examiner/LANDUSEAPLFORM.pdf.

Appeals must be received prior to 5:00 P.M. of the appeal deadline indicated below and be accompanied by an \$85.00 filing fee. The fee may be paid by check payable to the City of Seattle or a credit/debit card (Visa and MasterCard only) payment made in person or by telephone at 206-684-0521. (The Hearing Examiner may waive the appeal fee if the person filing the appeal demonstrates that payment would cause financial hardship).

The appeal must identify all the specific Master Use Permit component(s) being appealed, specify exceptions or objections to the decision, and the relief sought. Appeals to the Hearing Examiner must conform in content and form to the Hearing Examiner's rules governing appeals. The Hearing Examiner Rules and "Public Guide to Appeals and Hearings Before the Hearing Examiner" are available at www.seattle.gov/examiner/guide-toc.htm. To be assured of a right to have your views heard, you must be party to an appeal. Do not assume that you will have an opportunity to be heard if someone else has filed an appeal from the decision. For information regarding appeals, visit the Hearing Examiner's website at www.seattle.gov/examiner or call them at (206) 684-0521.

Interpretations

The subject matter of an appeal of a discretionary decision is limited to the code criteria for that decision, and generally may not include other arguments about how the development regulations of the Land Use Code or related codes were applied. However, in conjunction with an appeal, a Land Use Code interpretation may be requested to address the proper application of certain development regulations in the Land Use Code (Title 23) or regulations for Environmentally Critical Areas (Chapter 25.09) that could not otherwise be considered in the appeal. For standards regarding requests for interpretations in conjunction with an appeal, see Section 23.88.020.C.3.c of the Land Use Code.

Interpretations may be requested by any interested person. Requests for interpretations must be filed in writing prior to 5:00 P.M. on the appeal deadline indicated below and be accompanied by a \$3,860.00 minimum fee payable to the City of Seattle. (This fee covers the first ten hours of review. Additional hours will be billed at \$386.00.) **Requests must be submitted to the Seattle Department of Construction and Inspections, Code Interpretation and Implementation Section, 700 5th Av Ste 2000, PO Box 34019, Seattle WA 98124-4019.** A copy of the interpretation request must be submitted to the Seattle Hearing Examiner together with the related project appeal. Questions regarding how to apply for a formal interpretation may be sent to PRC@seattle.gov. (Please include "Interpretation Information" in the subject line.) You may also call the message line at (206) 684-8467.

Shoreline Decisions

An appeal from a shoreline decision is made to the State Shorelines Hearing Board. It is NOT made to the City Hearing Examiner. The appeal must be in writing and filed within 21 days of the date the SDCI decision is received by the State Department of Ecology (DOE). The SDCI decision will be sent to DOE by the close of business on the Friday of this week. If the Shoreline decision involves a shoreline variance or shoreline conditional use, the appeal must be filed within 21 days after DOE has made their decision. The information necessary for DOE to make their decision will be sent to them by the close of business on the Friday of this week. The beginning of the appeal period may also be provided to you by contacting the PRC at PRC@seattle.gov, or by calling the message line at (206) 684-8467. The minimum requirements for the content of a shoreline appeal and all the parties who must be served within the appeal period cannot be summarized here but written instructions are available in SDCI's TIP 232 (web6.seattle.gov/dpd/cams/CamList.aspx). Copies of TIP 232 are also available at the SDCI Applicant Services Center, 700 5th Av Ste 2000, PO Box 34019, Seattle, WA 98124-4019. You may also contact the Shorelines Hearing Board at (360) 459-6327. Failure to properly file an appeal within the required time period will result in dismissal of the appeal. In cases where a shoreline and environmental decision are the only

components, the appeal for both shall be filed with the State Shorelines Hearing Board. When a decision has been made on a shoreline application with environmental review and other appealable land use components, the appeal of the environmental review must be filed with both the State Shorelines Hearing Board and the City of Seattle Hearing Examiner.
