Jennifer,

I wasn't able to find anything in our database for any of those addresses or SDCI project numbers.

Good morning Robby,

I'm working on a records request and have copied and pasted the information the requestor is looking for. See below.

Therefore, for the purposes of issuing a proper subpoena on a filed administrative appeal, I am seeking the name(s) of the reviewer(s) of the properties at these addresses:

- 3420, 3422 and 3424 23rd Ave West, and
- 3414, 3416 and 3618 23rd Ave West, and
- 3410 and 3412 23rd Ave West.

[ For reference (may not be complete) some of the SDCI Project Reference numbers include 3032834-LU / 3032833-LU and construction permit applications 6690478-CN, 6689288-CN, 6689291-CN, 6684561-CN, 6689292-CN, 6688712-CN.]

Please let me know if you have any questions. Thanks.
