Thank you,

My apologies in the delay in returning the information you requested.

Upon hearing about and later noticing the subsequent appeal by multiple parties in the appeal '003' , the TreePAC Board felt our intentions would be contradicted by the monetary impacts suggested by that party. This would ultimate lead to complications if our interests were combined with theirs in the same appeal.

Per Hearing Examiner Rule 3.06, TreePAC withdraws the appeal.

Instead, we are currently considering the merits to move to a limited scope and limited participation intervention in accordance with Hearing Examiner Rules 3.09 for the purposes of appealing to another court depending on the outcome.

If you are able to delete the appeal 002 listed on the Hearing Examiner's website with my name, that would be preferred. Otherwise, I am slightly concerned that the listing shows me as an individual appealing rather than the group that I am the vice-chairperson for: TreePAC. I believe the drafted but not completed appeal we are withdrawing showed the TreePAC group information, but I do not recall.

Thank you,
Richard Ellison

Hi Mr. Ellison,

Please see attached the receipts regarding the SEPA appeal you filed earlier today. Please see attached receipts- one is the filing fee payment, the other is the filing fee refund, per your request.
