Good afternoon,

I am reaching out to schedule a Zoom test run to help prepare you for your remote hearing that begins on Tuesday, July 25th.

At the test run, the functionality features used in a remote hearing is reviewed and a secure connection with video and microphone capacity is confirmed. We provide this test run to remote hearing participants as a courtesy and cautionary measure to prevent unintentional absences or issues caused from unforeseen technical difficulties.

Typically, these test runs are very quick and straightforward. You can expect the duration to be 5 -15 minutes, depending on potential technical challenges.

Please provide your **full range of availabilities** to attend a test run with respect to the dates and times provided below:

Thursday, July 13th anytime between 10 am and 1 pm;

Friday, July 14th anytime between 8 am and 4 pm;

Wednesday, July 19th anytime between 11 am and 4 pm; or

Friday, July 21st anytime between 8 am and 4pm.

Thank you,

Angela Oberhansly (she/her)
