Angela,

Through direct talks, the School District (Applicant) and we have arrived at a settlement of all issued in our appeal of the Alki School Project Departures. We have executed a written settlement signed today by both parties. Therefore, I would like to withdraw our appeal.

Please let me know what we need to do beyond providing this notice.

Good morning, Mr. Brubeck

A link to access the folder of your exhibits is just fine. Please note that only the witness and exhibit list need to be e-filed- exhibits do not.

Angela,

RE SDD-23-002 Alki ES Departures Appeal

For email transmittal of witness and exhibits list and exhibits, may I used a shared Dropbox folder and send you and all other parties a link to that folder?

One of my exhibit files is 21.7 MB, so it may exceed the file size limits of email servers. The other files are each less than 10 MB and most are much smaller.

FYI, yesterday I mailed hard copies of witness and exhibits list and all exhibits to your office.
