In the matter of the Appeal of:

WASHINGTON COMMUNITY ACTION
NETWORK, et al.

Of a decision by the Director of the Department
of Planning and Development

File No. MUP 15-010-MUP 15-015

DPD # 3012953

**DECLARATION OF JOSEPH
BROGAN IN SUPPORT OF
RESPONDENTS' JOINT MOTION TO
EXCLUDE EXPERT TESTIMONY**

I, Joseph Brogan, declare as follows:

1. I am an attorney licensed to practice law in all Washington courts. I represent Swedish in the above-captioned matter. I am over eighteen years of age and have personal knowledge of the matters herein. If called as a witness I could and would testify competently thereto.
2. Attached to this Declaration are true and accurate copies of the following:
 - Exhibit A: 19th Avenue Block Watch/Squire Park Neighbors Witness and Exhibit List
 - Exhibit B: Cherry Hill Community Council Witness and Exhibit List
 - Exhibit C: Squire Park Community Council List of Witnesses and Exhibits
 - Exhibit D: Concerned Neighbors of Swedish Cherry Hill Witness and Exhibit List
 - Exhibit E: Curriculum Vitae of Nicholas Richter
 - Exhibit F: Description of Lindsey Amtmann LLC services (provided with 19th Avenue Block Watch Witness Disclosure)

Education

Master of Science, Spatial Planning

October 2011

Royal Institute of Technology (KTH), Stockholm

- Coursework and training in sustainable urban planning, governance, and transportation planning.
- Highlights: Created multimodal transportation plan for Upplands Väsby. Shadowed engineering teams conducting rail alignments and ridership forecasts in Abu Dhabi. Coursework in GIS & Spatial Analysis. Selected to represent KTH in urban design competition in Shanghai.

Bachelor of Arts, Political Science and Philosophy &

June 2006

Bachelor of Arts, Scandinavian Area Studies and Swedish

University of Washington, Seattle

- Coursework and training in urban studies, immigration studies, and international relations.
- Graduated cum laude with departmental honors in two majors of four total majors.

Work Experience

Asset Management Program Coordinator

4/21/2014 – Present

Metropolitan Transportation Commission, Oakland

- Primary analyst for the Regional Transit Capital Inventory (RTCI), which captures \$42B of transit assets in the Greater Bay Area spread across 26 transit operators.
- Designed current SQL based RTCI database, conducted an extensive reformulation of existing data to reflect database best practices, and migrated all data accurately from an Excel system of spreadsheets to the new SQL platform.
- Author and designer of the RTCI Manual, a 200 page comprehensive guide to the RTCI. Includes descriptive chapters, technical instructions, and an extensive data dictionary.
- Resident TERM Lite expert at MTC. Founded the Bay Area User Group. Currently authoring paper for TRB on how to set up multiple rehabilitation schedules per asset type in TERM Lite.
- Primary analyst for calculating the 2013 and 2014 Bay Area PCI Scores for 109 jurisdictions. Streamlined process from multi-month manual process to a largely automated one hour process.

Research Analyst

5/2012 – Present

Bates Technical College, Tacoma, WA

- Routinely conducts complex data analysis with extensive use of SQL, Access, Tableau, VBA, and Excel to provide actionable information to college leadership and faculty.
- Primary team member responsible for data management, institutional research, market/socioeconomic research, ad hoc research, and federally required reporting.
- Created real time dashboards for college leadership and real time error monitoring dashboards for staff utilizing Tableau Professional and SQL. Managed survey processes for institution.
- Main researcher supporting the creation and completion of the culmination of a seven-year accreditation cycle: A 300 page accreditation report for the regional accrediting body, NWCCU.
- Currently working part time for Bates from California to support reporting and data needs.

Transportation Planning Intern

2/2013 – 8/2013

Puget Sound Regional Council, Seattle, WA

- Created a progress tracking system for regional transportation improvement projects (RTIP), including data extraction & data analysis that allows for earlier detection of threats to funding.
- Conducted data updates in PSRC's database and integrated existing data into tracking solution.
- Used ArcGIS to audit existing mapped TIP projects for topological consistency with the primary network layer used for transportation modeling and edited shapes to eliminate errors.
- Demonstrated skills in GIS, SQL, VBA, Access, Excel, and Data Management.

Long Range Planning Intern

5/2012 – 3/2013

City of Tacoma Long Range Planning Division, Tacoma

- Created and published a traffic calming guidebook for community members using ideas/images generated during a youth charrette at McCarver Elementary School. PDF available at: <http://goo.gl/AID1o> (Featured online by Smart Growth America, the Congress for the New Urbanism, and others)
- Conducted oral history interviews with community members as part of the MLK Subarea plan.

Guest Lecturer [Sustainable Transportation/Stakeholder Identification]

University of Washington, Seattle

CEE561

10/2014, 10/2013, 10/2012, & 10/2011

Royal Institute of Technology (KTH), Stockholm

AG2809

9/9/2011

Research Assistant

4/2010 – 6/2010

Royal Institute of Technology (KTH), Stockholm

- Developed an active transportation strategy for a Swedish county. Included a four-step traffic forecast, bus routing review, and presentation of policy options for promoting local cycling trips.
- Sponsored by KTH to compete in a planning competition at the 2010 World Expo focusing on the sustainable redevelopment of a pre-World War II housing block in central Shanghai.
- Contributed research to internal reports and thesis work (Løbner & Sølgaard Bang, 2011) on sustainability strategies in mature urban areas with strong historic preservation policies.

Activities, Interests, and Additional Qualifications

- Certification: Greenroads Sustainable Transportation Professional, 02/07/2014
 - One of 109 Greenroads Sustainable Transportation Professionals in the world (STP_s).
- Completed NTI Courses: Using TERM Lite (1.6CEU), NTD Urban Reporting (1.4CEU), and Intro to Trans. Asset Management (1.4CEU)
- Presented at PNAIRP Annual Institutional Research Conference, 11/08/2013
- Completed FEMA Professional Development Series in Emergency Management, 1/20/2012
- Member: American Planning Association & Pacific NW Association for Institutional Research and Planning
- Appointed member of citizen's advisory committee for a major institution master planning process (2/2012 to 4/2014)
- Member: Washington State Board for Community and Technical Colleges' Research and Planning Commission, 2012 to 2014

Key Skills and Areas of Knowledge

- **Technology:** ArcGIS, Adobe Creative Suite Design Edition (8 years), Microsoft Office Suite (Access, Excel, & Word), Database Design & Management, SQL, VBA, HTML, CSS, PHP, JS, Tableau, SQL Server, Online Survey Design, etc.
- **Graphic Design:** Document Layout & Design, Print-on-Demand Publishing, eBook & PDF Publishing, Photography, Typography, Web Design, Wordpress Management/Development, and Presentation Design.
- **Urban/Transportation Planning:** Active Transportation Planning, Public Speaking, Travel Demand Analysis, Public Transportation Technologies, Network Analysis, Sustainable Urban Development Technologies, NACTO/AASHTO Pedestrian and Bike Development Guides, Economic Development Principles, Emergency Management Principles, Community Outreach, and Field Research Methodology (Parking Studies, Rider Surveys, Charettes, etc.).

II. Background

III. Summary

Lindsey Amtmann LLC is a certified Woman-Owned Business Enterprise (WBE) and King County Small Contractor and Supplier (SCS) that provides services to two primary clients:

- A/E Firms: Engaging, polished communications; SEPA/NEPA/regulatory compliance strategies; proposal writing and editing; technical writing and editing
- Public Involvement Firms and the Media: Science concepts written for non-scientists

Lindsey is an experienced professional who has managed NEPA/SEPA projects, proposals, and done technical writing and editing over the course of her 15-year career.

Areas of environmental expertise:

- Water and wastewater
- Transportation
- Parks and recreation
- Power transmission
- Environmental justice

Strong knowledge of federal regulations:

- ESA
- Section 106
- Sections 4(f) and 6(f)
- Related state and local regulations

Types of Clients:

- Local, regional, state, and national agencies and organizations
- Private companies
- Other consultancies

Science Writing and Editing, Science Translation: Ensures that technical information is understood by all, no

matter what level of expertise the stakeholders possess or their professional discipline. Translates engineering, science, and technical information from expert-to-layperson and from expert-to-expert. Helps decision-makers clarify stakeholder issues when laypeople do not possess quite the right words to express their ideas and concerns.

Proposal Writing and Editing: Proposal, resume, qualifications, CV, and cover letter writing and review, including clear project descriptions, for individuals and consulting teams. I have 15 years of experience writing, reviewing, and managing proposals.

IV. Experience

VI. Lindsey Amtmann LLC

2013 – Present (2 years) Shoreline, WA

For A/E firms: Engaging, polished communications; NEPA/regulatory compliance strategies; proposal writing and editing; technical writing and editing

For Public Involvement Firms and the Media: Science concepts written for non-scientists

For Artists: Writing and editing to ensure that their marketing materials and online presence allow their art to shine and captivate.

VII.

VIII. Senior Project Manager

IX. HDR

March 2010 – February 2013 (3 years) Seattle, WA

Senior NEPA Project Manager. Led large multidisciplinary team on complex, highly visible projects. Provided strategic environmental guidance and review to project team leaders, engineers, scientists, and planners.

X.

XI. Project Planner

XII. Herrera Environmental Consultants

2000 – 2010 (10 years) Seattle, WA

Environmental planner and project manager, specializing in NEPA/SEPA/Sections 4(f)/106/6(f).

XIII. James Gill

XIV. ► Web Developer and Technical Writer

Lindsey has an uncanny ability to see the big picture *and* manage the details, with equal ability. She also has a rare combination of technical and communication talents, and I was always impressed by her energy and ability to pull a team together...[View](#)

XV. Education

XVI. University of Michigan School of Natural Resources and Environment

XVII. M.S., Natural Resources

Research focused on environment and human behavior.

Masters' thesis titled "Stakeholder Perspectives on Wild and Scenic Rivers: A New Cognitive Tool for Enhancing Participation."

XIX. Duke University

XX. B.A., Dramatic Literature/Anthropology

Included study abroad in Copenhagen, Denmark at the University of Copenhagen.

Activities and Societies: Graduated cum laude

Exhibit I

KENNETH H. TORP
BONA FIDES
TRANSPORTATION EXPERT

Mr. Torp has a decade of experience in the field of ground transportation having worked at the federal, state, and local level as detailed below:

Transportation Representative, Urban Mass Transportation Administration of the U.S. Department of Transportation.

Developed capital investment projects for federal funding in 6 states (approximately \$100 million/year). Assisted mass transit agencies with the acquisition of private carriers, construction of major facilities (rail lines, maintenance shops, bus barns, and transitways), purchase of rolling stock (busses and rail cars), and equipment. Also assisted local agencies with fiscal analyses of capital projects, environmental impact assessments and analyses, and system-wide planning issues.

Deputy Executive Director for Administration and Director, Office of Contracts and Procurement, Regional Transportation District, Denver, Colorado. As head of the Office of Contracts and Procurement, was directly involved in the acquisition of rolling stock, equipment, and professional services (architects and engineers) as well as major construction projects (maintenance facilities and the downtown Denver Transit Mall). Assured that all procurements met federal, state, and local procurement requirements. As Deputy E.D., managed the Department of Administration of Denver's principle mass transit agency, including the functions of contracting and procurement, affirmative action and minority business development, human resources, advertising and public information.

Deputy Director and Acting Executive Director, Colorado State Department of Highways. Managed the State Patrol, the Division of Highway Safety, and the Division of Administration, as well as the Office of Management and Budget. Responsible for the day-to-day management of the Department. As Acting Executive Director, assumed the cabinet-level responsibility of leading the Department, including the Division of Highways and the Division of Transportation Planning. Lead an effort to uncover and prosecute contractors involved in bid rigging on highway projects.
