Good morning,

Regarding the prehearing conference today at 11:30, I just found out that a veterinarian will be coming to my house to put to sleep my family dog at 11:15. I don't know if the vet will get there on time, or how long that will take, but would like to be there with my wife and children. Can we please find a new date for the prehearing conference—perhaps Wednesday or Thursday of this week?

Thank you,

-Bryan
