APPELLANT'S REQUEST FOR TIME EXTENSION

Hearing Examiner Tanner:

Due to the recusal of Pro Tem Hearing Examiner Klockars, and your expected ruling on the pending motions during the week of October 19, 2015, Neighbors Encouraging Reasonable Development ("NERD") respectfully requests a time extension for all dates previously agreed to by the parties at the Prehearing Conference on September 18, 2015.

Under the original timeline, the parties had expected Pro Tem Hearing Examiner Klockars to rule on the motions by October 8, 2015.

Given that the updated expected ruling may be up to two weeks later than the original timeline, NERD requests that all deadlines be pushed back a minimum of two weeks accordingly.

In addition, both the Applicant and Department of Planning and Development have yet to provide a single item related to our Request for Documents, dated August 21, 2015. NERD believes additional documents will be requested, based upon our review of the initial request documents, yet to be provided.

Therefore, the following upcoming deadlines would be updated as follows:

October 27: Appellant shall notify DPD and Applicant as to any changes in its request for production and to the previously filed witness list, if any.

November 3: Responses to requests for production shall be provided and Respondents' witness lists shall be filed and served.

November 19: Hearing

Respectfully,

Chuck Burkhalter Jr.

On behalf of NERD

Dated this 12th day of October, 2015, at Seattle, Washington
