**ORDER ON MOTION TO
AMEND PREHEARING ORDER**

The Prehearing Order in this appeal was issued on November 2, 2016. On November 7, 2016, Seattle Green Spaces Coalition filed a motion to amend the prehearing order to include the following actions taken at the prehearing conference:

1. Appellant Seattle Green Spaces Coalition moved for a site inspection and the motion was granted.
2. Appellant Seattle Green Spaces Coalition moved for a stay so that there will be no removal of vegetation or soil on the site. The Hearing Examiner denied the motion for lack of hearing examiner's authority. Counsel for the Lows represented that the Lows will not take any actions which are not allowable by law.

The Applicant responded to the motion in a brief on a substantive issue of whether these appeals seek review of a Type I or a Type II decision under the Seattle Municipal Code. The Applicant correctly states that the Examiner agreed to do a site visit if the appeals proceed to hearing.

The motion generally reflects the actions taken at the prehearing conference and is therefore GRANTED. An Amended Prehearing Order has been issued with this Order.

Entered this 15th day of November, 2016.
