Re: Denial of Application for the Marijuana Business License

Dear Applicant,

The purpose of this letter is to provide written notification that Seattle Finance and Administrative Services (FAS) has denied Alki Herbal LLC's ("applicant") application for the Seattle Marijuana Business License under Seattle Municipal Code (SMC) 6.500.

The applicant has been denied a Seattle Marijuana Business License due to an incomplete application. SMC 6.500.050 E1. Failure to provide complete information required on an application form approved by the Director shall render the application incomplete and the license consequently shall be denied.

Summary of Relevant Facts

A Marijuana Business License Application for Alki Herbal LLC was received by FAS on November 29, 2016, the application was reviewed and it was determined that Alki Herbal LLC did not include a copy of the State of Washington license to operate as a marijuana business and the state's website indicated the licenses were "On Hold", a copy of the Certificate of Occupancy for correct use nor SDCI permit copies for correct use. Alki Herbal LLC was notified by email December 5, 2016 of the missing documentation.

As of January 5, 2017, a current copy of the State of Washington license to operate as a marijuana business and a copy of the Certificate of Occupancy for correct use or SDCI permit copies for correct use are still outstanding and the application is incomplete.
