16			
17	I, KELSIE D. CLEMENS, under penalty	of periury under the laws of the State of	
18		or perjury under the taws of the State of	
19 20	Washington, declare as follows:		
20	1. I am a legal assistant with McCullough Hill Leary, PS, attorneys for Johnson and		
21	Carr, Inc., Applicant. I am competent to make this declaration based on my personal knowledge.		
23	2. I listened to the audio-recorded testimony of the pre-hearing conference before the		
24	City of Seattle Hearing Examiner dated February 27, 2017, for the above-referenced appeal,		
25	MUP 17-009.		
26 27	3. The pre-hearing conference for the appeal can be accessed at the Prehearing		
28	Conference Recording, found at the following web address:

o 9	Hearing Examiner Vancil:	Any discovery anticipated?
10	Jeffrey Eustis:	We do have some requests.
11	Hearing Examiner Vancil:	And I guess for scheduling purposes the crux of what I need to
12		know is, is there going to be any need for this office to participate?
13		Generally we leave it to the parties to engage in prehearing
14		discovery make the request of each other and then if there's a need
15 16		for the hearing examiner to be involved, that can be made by
17		motion. I ask today for that reason and then also because if I know
18		that there's a bunch of discovery going on, then we need time to
19		accommodate that so
20	Jeffrey Eustis:	Ok since wethese requests are short. If there's a need to issue a
21 22		subpoena then I will do it by motion. So this is of the Applicant
23		since the Applicant is here. The request is for the CAD drawings
24		of the view compliance diagram, dated October 5, 2016 which I
25		believe is the most up to date view compliance diagram.
26	Jessica Clawson:	OK.

1	Jeffrey Eustis:	OK. And then for the traffic update. This is the Gibson Traffic
2		Consultant's report of October 28, 2016. On page 3 there's
3		reference tolet's seedocumentation from the department of
4		Trans King County Department of Transportationof a
5		passenger boarding report for the fall of 2015. And the data deals
6 7		with passenger counting system, apparently run by Metro. And it
8		
9		is unclear to us which report Gibson was relying upon because its
10		spreadsheet in the appendix of page 56 was from the spring of
11		2013 but its report speaks of the 2015 printout. So what we're
12		looking for is the data.
13	Jessica Clawson:	Ok.
14	Jeffrey Eustis:	Ok.
15 16	Hearing Examiner Vancil:	So some document exchange it sounds like?
17	Jeffrey Eustis:	Yes.
18	Hearing Examiner Vancil:	Alright.
19	Jessica Clawson:	We see no problem with providing those to the extent that they are
20		available.
21		
22	Hearing Examiner Vancil:	It doesn't sound like it'll impact our schedule at all either.
23	Jessica Clawson:	Do you want to send in a formal request?
24	Jeffrey Eustis:	Yes.
25	Jessica Clawson:	Or an emailor
26		
27	Jeffrey Eustis:	Yes.

1	Jessica Clawson:	OK.
2	Jeffrey Eustis:	And I would also point out that Livable Phinney has prepared a
3		Public Records request to the City dealing with a number of
4		records relating to the Analysis and Decisionand the City has
5		indicated it would not have a response before March 15, 2017. At
6 7		leastI would almost have to say it has been practically the rule
8		rather than the exception that the city departments have slipped on
9		
10		meeting those deadlines. So, obviously, we need those documents
11	Hearing Examiner Vancil:	OK. What about witnesses? How many witnesses does the
12		appellant anticipate at this time?
13	I declare under penalty of perjury that the foregoing is true and correct.	
14	Executed this 11 <sup>th</sup> day of April, 2017, at Seattle Washington.
