Re: Hearing Examiner File No. W-17-004

Dear Hearing Examiner Vancil:

The Seattle Department of Transportation encloses for filing the following three documents:

- Response in Opposition to Ballard Coalition's Motion to Continue Prehearing Order Dates;
- Motion to Compel Discovery;
- Motion *in Limine* and to Quash Subpoenas of City Employees and Contractors.

SDOT respectfully requests the Examiner consider these motions on an expedited basis. Pursuant to the Examiner's Rules, the briefing is complete on the Ballard Coalition's Motion to Continue Prehearing Order Dates with the filing of SDOT's and Cascade Bicycle Club's responses. HER 2.16(c) (no automatic right to reply). SDOT requests the Examiner to schedule a prehearing conference to take up these pre-hearing issues at the earliest possible opportunity upon completion of the briefing on the remaining motions. The issues raised in the respective motions are intertwined and may benefit from discussion before the Examiner. The prompt resolution of all three motions would facilitate the parties' hearing preparations.

Sincerely,

VAN NESS FELDMAN LLP
