In the matter of the Appeal by:  
DAVID D. MILLER,

No. MUP-12-014(W)

of a Grant – Short Subdivision by the  
Department of Planning and  
Development.

**CORRECTED MOTION FOR  
CONTINUANCE**

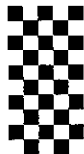

I. RELIEF REQUESTED

To reschedule the hearing for the afternoon of June 13 or for another date and time.

II. RELEVANT FACTS

The hearing in the above-related matter has been scheduled for 9:00am on Wednesday, June 13. Appellant has a prior business obligation on the same day that cannot be rescheduled (a Shareholder Meeting for a publicly traded company). The issues in this particular appeal are relatively limited and straightforward. The discussion and hearing should not take a great deal of time. Several witnesses may be called, but the number of questions for each are limited. Therefore, it should be possible to complete the hearing in a half day.
