## No Expansion of Urban Village into Ravenna or Existing Parks

Seattle's draft Comprehensive Plan calls for increasing the density of housing within urban villages. Existing rules governing urban villages also allow for relaxed parking requirements during new development and include more exceptions before triggering environmental review during development. The Comprehensive Plan proposes to expand the boundary of the Roosevelt Urban Village to include single-family properties east of the center of 15<sup>th</sup> Ave NE as well as Cowen Park and portions of Ravenna Park. This petition expresses that residents are against the proposed eastward expansion of the Roosevelt Urban Village. We ask the Ravenna/Bryant Community Association and Roosevelt Neighborhood Association to issue a joint statement against this expansion, and we ask the city to maintain the current Roosevelt Urban Village boundary along the centerline of 15<sup>th</sup> Ave NE between NE 62<sup>nd</sup> St and NE 70<sup>th</sup> St as well as to exclude both Cowen Park and Ravenna Park from the Urban Village.

**The Roosevelt Urban Village boundary should remain west of the centerline of 15<sup>th</sup> Ave NE between NE 62<sup>nd</sup> St and NE 70<sup>th</sup> St and the Roosevelt Urban Village should exclude Ravenna Park and Cowen Parks.**
