Friends of North Rainier Neighborhood Plan's Motion For Summary Judgment

Dear Examiner Vancil,

On Friday, May 11, 2018, the Friends of North Rainier Neighborhood Plan (FNR) filed and served the following documents:

1. Motion For Summary Judgment (Amended) (*to replace original Motion*)
2. Declaration of Talis Abolins, In Support of FNR's Motion For Summary Judgment
3. Second Decl. of Talis Abolins In Support of FNR's Motion For Summary Judgment

Unfortunately, FNR was not able to complete filing and service prior to 5:00 pm, and a hard copy of the Second Declaration (with all attachments) was provided to your office on Monday morning.

On Monday I conferred with Mr. Weber and confirmed that the City received all documents on May 11, and has no objection to the filing or service. We appreciate your consideration of the motion and its attachments in advance of the hearing.

Very truly yours,
FRIENDS OF NORTH RAINIER NEIGHBORHOOD PLAN
