Subject: Project #: 3020114 / 6726 Greenwood Ave. N.

Mr. Dorcy:

I'm with a group of residents on Phinney Ridge who have been following the proposed development at 6726 Greenwood Ave. N. (Project #: 3020114) Given that this project is viewed as totally out of character with and an assault on our neighborhood, we are considering filing an appeal. We have an attorney and have been advised that he needs to review the MUP Decision before he can give us a legal opinion regarding the feasibility of an appeal. I see on the Notice of Decision that 1/12/17 is the last date such an appeal can be filed.

It's not really surprising that this MUP action takes place right in the middle of the Christmas Holidays. However, as with the rest of the country, many of us have been out of town, visiting family, etc. This includes our legal council. In other words, it is extremely difficult to review the MUP and Decision in the given 2 week time period through the Holidays. I strongly feel we deserve a full range of time in order to adequately review these important documents and make a knowledgeable decision regarding our right to appeal this decision by SDCI and the City of Seattle.

I request an adequate extension of the time allowed to file an appeal regarding this project.

Thank you very much for your consideration of this request,
Sincerely,

Michael Richards
