Hi there,

Sorry for not including this info. The project is the Phinney Flats, 6726 Greenwood Ave N. Thank you for your time.

> We cannot possibly continue to allow these complexes to be built without parking. People do not actually use the bus as much as the city would like. Parking is at a premium, and us homeowners are left without any parking near our homes. Yes, I commute on the bus daily, but this neighborhood is one where a car is necessary. Please, for the love of god, stop allowing all this housing without parking.
