Correction Notice #7
 Lori L Swallow
 January 12, 2018

Corresponding Correction item #	Applicant Response
1) Hearing Examiner Decision	Revised plans that reflect changes made in response to the decision of the Deputy Hearing Examiner dated July 24, 2017 are provided.
2) Conclusion 3: Upper level setbacks	The required setback was dimensioned in plan on prior submittals. Additional dimensions, per your request, have been provided on the elevations and building sections. <i>See sheets A3.03, A3.04, A3.21, and A3.22.</i>
3) Conclusion 4: Clerestory windows	Resolved
4) Conclusion 5: Firewall Parapet	The firewall parapet has been removed. All rooftop features have been labeled, dimensioned and are in compliance with 23.47A.012.C
5) Conclusion 6: Frequent Transit	Resolved
6) Rooftop features	The elevations of all rooftop features were dimensioned on the roof plan (A2.20) on prior submittals. Additional call-outs and labels for the heights of rooftop features have been added on the building sections and elevations, per your request. <i>See sheets A3.01-A3.04, A3.21, and A3.22</i>

If there are any remaining issues that we need to resolve, please don't hesitate to contact me directly to resolve over the phone or email *in lieu of another review cycle.*

Respectfully,

A handwritten signature in black ink, appearing to read "Jay Janette", with a horizontal line extending to the right.
