To whom this may concern,

Please don't tear down the heart of Belltown. I grew up in Seattle and it's breaking my heart to see everything I attach fond memories of being demolished. Please look elsewhere to build housing. Let's keep Seattles oldest apartment complex as a part of Seattles history.

I am so saddened that Shorty's had to move out and that Mamas is gone. 2nd and Bell is such a fun, walkable unique part of the city. Let celebrate it and not destroy it.

Thank you for your time,

Jennifer Lightfoot
