## Housing Review - Corrections Required

SMC 23.58C.

A housing has been assigned to this project. Housing reviews are assigned to all projects that must meet Mandatory Housing Affordability (MHA) requirements. For projects that opt to meet all or a portion of their MHA obligation via the payment option, the Office of Housing (OH) accepts and processes payments.

For projects that opt for the performance option, the Office of Housing drafts and approves the housing agreement that memorializes the MHA units provided to meet the requirement. If you wish to meet your MHA obligation via the performance option, please contact me for an MHA agreement template.

Please let me know which option you wish pursue. Feel to call or email me with any questions you may have.
