Hi Folks,

I just wanted to send a positive comment about Ed Hewson, developer of the new building planned for North of us. I am the building manager of the Lillian Rice building and I appreciate Ed's proactive approach to being a good neighbor prior to a major construction project and sharing designs. As near as I can tell the planned project looks like a nice design for the street and will be a positive for the Belltown neighborhood. Hopefully all will go smooth.

Ron Jandrasi
