**Corrections**

**1. Resolve outstanding reviews.** I have reviewed your application materials and do not need additional or corrected information from you at this time. However, I am unable to complete my review and prepare a Director's decision until all required reviews have a status of Completed or Corrections Required at Final Review.

When you receive notice that all reviews are completed and corrections are required, respond to this Correction Notice by uploading a Correction Response letter stating, 'see Correction Responses to \_\_\_\_\_ (list Reviews)' or 'All reviews are complete'.

Please use the Make Changes button that appears next to the record on the My Records page. Using the Make Changes button will ensure your Correction Response letter is seen and put in the queue for review by SDCI staff.

2. In accordance with a future Land Use Condition please submit a Construction Management Plan (CMP) to Seattle Department of Transportation at [SDOTPermits@seattle.gov](mailto:SDOTPermits@seattle.gov) for review and approval with your building permits. For the CMP Standard Element Guide see <http://www.seattle.gov/transportation/CMP.htm> Please submit the SDOT approved CMP and the SDOT approval email or letter to SDCI at the building permit stage in accordance with How to Respond to a SDCI Correction Notice.
