Corrections

- 1. Master Use Permit.** Currently this project is being reviewed under Master Use Permit (MUP) 3036108-LU. Land Use review can't continue review or approve the Construction permit application until after the MUP decision has been published and the appeal period has passed. This review will be assigned to David Landry.
 After the MUP is ready to issue, PLEASE RESUBMIT YOUR CONSTRUCTION DRAWINGS so that we may verify the project scope and application of development standards are consistent between the MUP and the building permit. In addition PLEASE INCORPORATE RESPONSE TO APPROPRIATE LAND USE CONDITIONS from the MUP decision.
